1. Hostel Entry, Exit Hours and Campus Curfew

All undergraduate campus residents are required to observe standard residential timing. Main hostel gates are locked daily at **10:00 PM** on weekdays (Monday through Friday) and at **11:00 PM** on weekends (Saturday and Sunday). Residents entering the residential halls past these hours without prior Warden permission will incur a late entry strike. Accumulation of three strikes leads to mandatory parental notification and fine assessment.

Dormitory Corridors	24 Hours Access	10:30 PM – 06:00 AM Daily	Absolute silence enforced

Overnight guests inside resident rooms are strictly prohibited. Unregistered guests discovered after 08:00 PM will incur an immediate fine of $150 to the host resident.

All guests must present government photo identification at the dormitory security desk and remain accompanied by their registered resident host at all times during their presence on hostel grounds.

4. Hostel Fee Refund and Cancellation Schedule (Standard Residential Policy)

Students opting to vacate hostel accommodation prior to academic term completion must submit an official vacating notice to the Chief Warden. According to the Residential Life Policy Handbook:

> **Section 4.3 • Residential Refund Window**
>
> If written intimation of room surrender is submitted **within 15 days of room allotment**, a resident is entitled to an **80% refund** of the semester room fee. Vacating between day 16 and day 30 yields a **50% refund**. No refund is granted under any circumstances after 30 days of allotment.

5. Prohibited Electrical Appliances & Safety

For fire safety and electrical grid preservation, the following items are strictly prohibited inside resident dormitory rooms:

- High-draw heating appliances including immersion rods, room space heaters, and induction stoves.
- Electric hot plates, multicookers, and air fryers (use designated floor kitchenettes instead).
- Candles, incense burners, fireworks, or open flame devices of any variety.

6. Room Inspection & Right of Entry

The Chief Warden, Resident Advisors, and campus safety personnel reserve the right to conduct announced or unannounced room inspections to ensure hygiene standards, inventory checks, and policy compliance. Any seized contraband or unauthorized appliance will be confiscated permanently without reimbursement.
