1. Attendance Requirement & Condonation

Students must maintain a minimum attendance of **75%** in aggregate across all registered lecture and laboratory courses in a semester to be eligible for the end-semester examinations. Students falling between **65% and 74.9%** may request condonation on certified medical grounds or documented college representation, subject to payment of a non-refundable condonation fee of $50 per course and approval from the Dean of Academic Affairs. Students with attendance below **65%** are strictly debarred from appearing in end-semester exams and must repeat the course.

2. Grading System & Cumulative GPA Computation

Academic performance is evaluated using a 10-point scale. Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) are computed on the basis of earned credit weights.

Grade	Grade Point	Score Range (%)	Performance Description
O	10.0	90 – 100	Outstanding
A+	9.0	80 – 89	Excellent
A	8.0	70 – 79	Very Good
B+	7.0	60 – 69	Good
B	6.0	50 – 59	Average / Satisfactory
F	0.0	Below 50	Fail (Mandatory Remedial Exam)

Official Clause: Remedial & Supplementary Examinations

A student securing an 'F' grade is permitted a maximum of two supplementary attempts during the remedial examination period scheduled every July. If a student fails to clear the backlog within two consecutive attempts, they must re-register for the entire course module during the following regular academic term.

3. Examination Re-evaluation and Paper Review

Students unsatisfied with their final evaluated marks may apply for a formal re-evaluation within **10 calendar days** of result publication via the Registrar's Academic Portal. A re-evaluation fee of $35 per script applies. The re-evaluated grade will be final and supersede previous records, even if the reassessed score is lower than the initial result.

4. Course Withdrawal and Add/Drop Timelines

- **Add/Drop Window:** Students can change elective modules within the first **7 instructional days** of semester commencement without transcript remarks.
- **Formal Course Drop:** Dropping a course between day 8 and day 21 results in a neutral "W" (Withdrawn) mark on the transcript with no GPA penalty.
- **Late Drop Prohibition:** No course drops are authorized after the **21st instructional day**; uncompleted courses receive an 'F' grade automatically.
- **Minimum Credit Load:** Full-time undergraduate degree students must remain enrolled in a minimum of 16 semester credits at all times.

5. Academic Probation & Good Standing

> **Clause 5.2 • Probation Criteria**
>
> Any student whose CGPA drops below **5.50** at the close of any academic year is placed on Academic Probation. While on probation, the student is barred from holding student council offices, representing university sports teams, or undertaking course overloads exceeding 20 credits.

If a student on Academic Probation fails to raise their CGPA to 5.50 or higher after two consecutive probationary terms, the Academic Review Board reserves the authority to mandate academic suspension or program termination.
